# How to use the SciSports and BallJames brand identities

These guidelines contain recommendations for the various ways you can use the SciSports & BallJames logos.

We've included some examples of work so you can see how it comes together.

# Logos

## Logo uses

### Logo uses

#### 1. SciSports original:

This is the original and primary SciSports logo. Make sure you always use this logo on white backgrounds

#### 2. SciSports diapositive:

the diapositive logo is created to use on blue colored backgrounds only

#### 3. SciSports white:

use this logo only if the background don't fits the criteria for option 1 or 2

**1. BallJames original:** this is the original and primary BallJames logo. Make sure you always use this logo on white backgrounds

**2. BallJames white:** the white logo is created to use on colored backgrounds

1. SciSports original

2. SciSports diapositive

3. SciSports white

1. BallJames original

2. BallJames white

# Logos

## Spacing

### Logo spacing

The spacing of each element is precisely considered. Never alter this spacing.
